

Community Service Documentation Form

2022-2023

DUE Jan 13, 2023

Nomination for Whitewater Career Center’s National Technical Honor Society Chapter requires completion of at least 6 hours of community service activities during the current school year. Please list the project and hours completed on this page. Be sure to have the project supervisor sign and date the form. Community Service is defined as volunteering (non-paid) to help others outside of school hours.
